

THE UNIVERSITY OF BRITISH COLUMBIA
DEPARTMENT OF MEDICAL GENETICS
Awards Annual Report
FACULTY
July 1, 2002 – June 30, 2003

Name	Sponsor/Donor	Award	Year	Category
Dr. L. Arbour	Canadian Institutes of Health Research (CIHR)	Institute of Genetics Clinical Investigatorship Award	Apr. 1, 2003- Mar. 31, 2005	Research
Dr. P.A. Baird	Order of Canada	Queen's Golden Jubilee Medal	2002	Lifetime Achievement
Dr. P.A. Baird	UBC	Honorary Alumnus of the Faculty of Medicine	2003	Lifetime Achievement
Dr. P.A. Baird	Networks of Centres of Excellence	Appointed to the Selection Committee	2002-2003	Research
Dr. P.A. Baird	University of Victoria	Invited to be President's Distinguished Lecturer	2003	Teaching
Dr. P.A. Baird	World Health Organization (WHO)	Appointed to WHO Expert Advisory Panel on Human Genetics	2002-2006	Service
Dr. C. J. Eaves	Canadian Cancer Society / National Cancer Institute of Canada	Queen's Golden Jubilee Medal	2003	Lifetime Achievement
Dr. C. J. Eaves	National Cancer Institute of Canada	2003 Robert L. Noble Prize for Excellence in Cancer Research	2003	Research
Dr. J.M. Friedman (Q. Yang, S. Rasmussen, & J.M. Friedman)	Center for Disease Control and Prevention, Atlanta	Nominated for Charles C. Shepard Science Award (for most outstanding peer-reviewed research paper published by CDC scientists in 2002)	2002	Research
Dr. M.R. Hayden	Royal College of Physicians & Surgeons of Canada / Canadian Society for Clinical Investigation	2003 Henry Friesen Award	June 2, 2003	Research
Dr. K. Humphries		Killam Prize in Senior Science	Jan. 2003	Research
Dr. S. Jones	Michael Smith Foundation for Health Research	Michael Smith Foundation for Health Research Career Investigatorship (Scholar Award)	June 2003	Research
Dr. R. Kay	Dept. of Medical Genetics	Dept. of Medical Genetics Basic Science Teaching Award	Nov. 2002	Teaching
Dr. S. Langlois	Dept. of Medical Genetics	Dept. of Medical Genetics Clinical Teaching Award	Nov. 2002	Teaching
Dr. S. Langlois	Faculty of Medicine, UBC	2003 Killam University Teaching Prize	Mar. 2003	Teaching
Dr. M.E.S. Lewis	Canadian Institutes of Health Research (CIHR)	Institute of Genetics Clinical Investigatorship Award for Autism Genetics & Phenotyping	Apr. 1, 2003- Mar. 31, 2005	Research
Dr. K. McNagny	Michael Smith Foundation for Health Research	Michael Smith Foundation for Health Research Career Investigatorship (Scholar Award)	June 2003	Research
Dr. K. McNagny	Stem Cell Network Centre of Excellence	Inducted into the Stem Cell Network Centre of Excellence	2003	Research
